Situation where *Your* claim will not be paid:

- a *Medical Emergency* that occurs outside the *Coverage Period*.

For example, no benefit will be paid with respect to a *Medical Emergency* that occurs after 11:59 p.m. ET on the last day of the *Coverage Period*, if *You* have not purchased top-up coverage.

NOTE: The day of departure counts as a full day for this purpose.

19. Non-emergency services

Situation where *Your* claim will not be paid:

- non-emergency, experimental or elective *Treatment* (e.g. cosmetic surgery, chronic care, rehabilitation including any expenses for directly or indirectly related complications).

20. Coverage and/or payment benefit prohibited by law

- this coverage shall be null and void and no benefit will be payable where the coverage and/or payment of the benefit is prohibited by Canadian law or by any other applicable national economic or trade sanctions law or regulation.

Section 7: How to Become Insured, Extend or Modify Coverage

How to Become Insured

You are insured if *You* have proof of insurance. *Your* proof of insurance is in the form of the *Declaration of Coverage* document that is provided to *You* when *You* complete *Your Application* for coverage. If *You* do not receive *Your* proof of insurance before *You* depart on *Your Covered Trip*, *You* must contact CanAm immediately.

You will have coverage once *You* complete all the following steps:

- applicants meet the Eligibility Requirements for insurance under Section 2: Eligibility; and
- apply for insurance; and
- if required, *You* provide *Us* with accurate and complete evidence of insurance. See "When Is a Medical Questionnaire Required" in Section 2, and "Contract or Coverage Termination or Void by Insurer," in Section 9; and
- pay the required premium.

Once this is complete, *You* will receive proof of insurance.

When does Coverage Start and End

The *Medical Emergency Coverage Period* begins on the later of:

- the *Insured Person's* scheduled *Effective Date*, shown in the *Application* or most recent *Declaration of Coverage*; or
- when the *Insured Person* actually departs on the *Covered Trip*; and

ends on the earlier of:

- the *Insured Person's* scheduled return date, shown in the *Application* or most recent *Declaration of Coverage*; or
- the date the *Insured Person* actually returns to his or her province or territory of residence; or
- the date this *Certificate* terminates.

The *Medical Emergency Coverage Period* will not end if an *Insured Person* temporarily returns to his or her province or territory of residence before the termination date of *Your Certificate* as described below, under "When *Your Certificate* Terminates" provided that:

- the *Insured Person* has not incurred or submitted a claim under this *Certificate* or suffered a *Medical Emergency* during the *Covered Trip* or during his or her temporary return to his or her province or territory of residence; and
- there has been no change in any *Pre-Existing Medical Condition* (as defined in Definitions at the end of the *Certificate*) during the *Covered Trip* or during the temporary return to the *Insured Person's* province or territory of residence; and
- the *Insured Person's Medical Condition* has remained *Stable* during his or her temporary return to his or her province or territory of residence; and
- the *Insured Person* was fit to resume travel on his or her *Covered Trip*.

Automatic Extension of Coverage

If an *Insured Person* is suffering from a *Medical Emergency* on the date the *Medical Emergency Coverage Period* would end, for any reason except cancellation of the *Certificate*, the *Medical Emergency Coverage Period* is automatically extended to 72 hours immediately following the end of the *Medical Emergency* for that *Insured Person*; and for any other *Insured Person* if:

- that other *Insured Person* has extended his or her trip past his or her scheduled return date because of the first *Insured Person's Medical Emergency*; and
- Global Excel has approved a *Travelling Companion* benefit for that other *Insured Person*.

If *You* cannot complete *Your* trip by *Your* return date because of the delay of a common carrier in which *You* are scheduled to travel, *Your* coverage will automatically extend for the delay period to a maximum of 72 hours.

Regardless of the automatic extension, coverage will not continue beyond the maximum number of days allowed under *Your GHIP* for travel outside of home province.

When *Your Certificate* Terminates

Your Single Trip Plan *Certificate* will terminate on the earliest of:

- the scheduled return date shown in *Your Application* or, *Your* most recent *Declaration of Coverage*; or
- the date the last *Insured Person* returns to his or her province or territory of residence from the *Covered Trip*; or
- the date the last *Insured Person* is no longer eligible for coverage; or
- the date the last *Insured Person's* insurance is cancelled because of a change in *Medical Condition* before departing on the *Covered Trip*; or
- the date *Your* request to cancel *Your Certificate* is effective.

How to Top-up or Extend *Your* Coverage Date if the Trip is Extended

Apply for a Top-up or Extend *Our* Coverage

If *You* already have TD Travel Medical Insurance coverage, *You* can apply to top-up or extend the period of coverage, by contacting CanAm by telephone, if each *Insured Person* qualifies for coverage as described under Eligibility Requirements, except that:

- *You* do not have to be in Canada when *You* buy this top-up or extend coverage; and
- *You* can apply either before or after *You* depart on *Your* trip as long as:
 - no *Insured Person* has suffered a *Medical Emergency* before *You* apply for this top-up of coverage; and
 - *You* apply before 11:59 p.m. ET on the date on which the original coverage terminates; and
 - the duration of *Your Covered Trip* is from one (1) day, up to 212 days but not longer than the maximum number of days allowed under *Your GHIP* for travel outside of *Your* province or territory of residence; and
 - *You* pay the required premium for the top-up or extension of coverage.

Any top-up or extension is subject to approval by CanAm.

The terms, conditions and exclusions of *Our Certificate* issued as extension or top-up coverage apply to *You* and may be different than *Your* existing coverage.

Apply for *Our* Top-up Coverage When *You* Have Another Insurer's Coverage

If *You* have another insurer's travel insurance, and wish to apply for *Our* top-up coverage, *You* can apply for *Our* Single Trip Plan **before** *Your* departure from *Your* province or territory of residence, if:

- *You* meet the eligibility criteria under *Single Coverage*; and
- the duration of *Your Covered Trip* is from one (1) day, up to 212 days but not longer than the maximum number of days allowed under *Your GHIP* for travel outside of *Your* province or territory of residence; and

- You pay the required premium for the top-up coverage before Your departure. Any top-up is subject to approval by CanAm. The terms, conditions and exclusions of *Our Certificate* issued as top-up coverage apply to You and may be different than other insurer's coverage.

Section 9: Contract or Coverage Termination or Void by Insurer

When Can the Insurer Cancel or Terminate the Contract

Amending or cancelling coverage based on a change in *Medical Condition*

Where medical evidence is required, *Our* decision as to whether, and on what basis, to insure a person depends on his or her condition on the date he or she leaves on the *Covered Trip*. Therefore, if the *Insured Person's Medical Condition* changes, and/or is not *Stable*, as described below under "You must inform *Us* of any changes to *Your* health", before the *Covered Trip* begins, *We* may:

- cancel the *Insured Person's* insurance for that *Covered Trip*; or
- request a higher premium for that *Insured Person* for that *Covered Trip*.

If You do not pay the additional premium by the date the *Insured Person* departs, *We* will cancel the *Insured Person's* insurance for that *Covered Trip*. If *We* cancel insurance under this provision, *We* will refund any premiums that were paid for the cancelled coverage.

When Can the Insurer Void Coverage

Failure to disclose impacts *Your* benefits

This *Certificate* is voidable by *Us* and no benefits will be paid if a person who applies to be insured and completes a medical questionnaire as part of the *Application*:

- fails to disclose all *Medical Conditions*, current medications, prescribed medications and periods of *Hospitalization* in response to the medical questions; or
- fails to fully, completely and accurately answer the medical questions.

This *Certificate* and all coverage hereunder is voidable by *Us*:

- if the failure to disclose or misrepresentation relates only to the amount of premium that should have been paid; or
- even if any failure to disclose or misrepresentation does not relate to the cause of any claim.

NOTE: *We* may investigate the answers provided to the health questions in the *Application* at any time, including at the time of claim.

You must inform *Us* of any changes to *Your* health

If an *Insured Person* is required to complete a medical questionnaire, they must contact CanAm if their *Medical Condition* changes, and/or is not *Stable*, after enrollment and before the date of departure. If *You* are unsure if *You* should inform *Us* of *Your* change in health status, please contact CanAm for assistance.

Benefit Payments

This *Certificate* contains provisions removing or restricting the right of the *Insured Person* to designate persons to whom or for whose benefit money is to be payable. This means that under the *Group Policy*, neither *You* nor any *Insured Person* has the right to choose a beneficiary who will receive any benefits payable under this *Certificate*. Benefits are payable to *You* or, on *Your* behalf, to *Your* medical service provider.

Coordination of Benefits with other insurance

- All of *Our* coverages are excess insurance, meaning that any other sources of recovery *You* have will pay first, and this insurance coverage will be the last to pay. The total benefits payable under all *Your* insurance, including this *Certificate*, cannot be more than the actual expenses for a claim. If an *Insured Person* is also insured under any other insurance certificate or policy, *We* will coordinate payment of benefits with the other insurer.
- In no case will *We* seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, *We* will coordinate benefits only above this amount.

Right of Subrogation

There may be circumstances where another person or entity should have paid *You* for a loss but instead *We* paid *You* for the loss. If this occurs, *You* agree to co-operate with *Us* so *We* may demand payment from the person or entity who should have paid *You* for the loss. This may include:

- transferring to *Us* the debt or obligation owing to *You* from the other person or entity; or
- permitting *Us* to bring a lawsuit in *Your* name; or
- if *You* receive funds from the other person or entity, *You* will hold it in trust for *Us*; or
